In the case of Tharon the Post Office Department records are quite confusing if only the Postmaster Appointment records are consulted. Using statements in the Postal Bulletins (PB), the picture unfolds. PB 7282 of 21 January 1904 indicated that Tharon moved 2¼ miles further north and into Jones County. The new site was authorized on 20 January 1904 (PB 7282). The post office was discontinued and superseded by rural mail on 15 September 1911 (PB 9614).
