Discontinued	31 Mar 1909

The previous catalog showed the Ashworth post office reopened in Rockingham County on 5 March 1919 and closed again on 15 April 1922 with the same postmasters as listed for Ashworth in Transylvania County. This information was in error because the Post Office Department records recorded these entries in both Rockingham and Transylvania Counties. Postal Bulletin No. 11912 of 25 March 1919 shows that the Ashworth office opened in Transylvania County under postmaster Louise Ashworth on 5 March 1919. This notice was consistent with the post office policy of not having two offices open at the same time in the same state with the same name.
